

After seeing your presentation on Kansas City Regional Rail, (organization) is confident that this unique transportation system will help move people efficiently to their homes, jobs and major points of interest throughout our community. To help move this project forward, our organization has approved a resolution of support and endorsement of the concept plan for the Kansas City Regional Rail proposal.

We believe this system will create economic and business development and will help stimulate job growth throughout the Kansas City metropolitan area by providing citizens with increased mobility and access. We are especially excited that Kansas City Regional Rail is a part of a comprehensive regional transit system that can have a positive effect on the citizens, businesses, organizations, cities and counties of this area.

Please let us know how we can help further support Kansas City Regional Rail. We appreciate your time and commitment to developing a comprehensive regional transit system that will serve our entire community and help us become more competitive in the future.
